BELLY BAND

Tummy Shield for Pregnancy... Microwaves Bounce Right Off

Where do you hold your cellphone? iPad? Laptop? *Right in front of your belly where it can best radiate your baby!* The Belly Band is a microwave (radiofrequency) tummy-front shield for expecting mothers who prefer little snugness around the belly and a looser fit. The pleated design makes it easy to adjust the amount of vertical coverage. It can discreetly cover unzipped pants as the belly grows. Laboratory tested for performance. Repels wi-fi, cellphone, microwave oven, CB/TV/FM and other RF radiation.

- 95% Rayon, 5% Spandex, and RadiaShield® Fabric (a highly conductive Silver textile providing 99.9% RF shielding effectiveness)
- Pleated and breathable for discreet, comfortable fit
- Light-weight and machine washable for everyday use
- Four sizes (small to x-large)

Instructions: Wear under or over clothes throughout your pregnancy, with larger side fully covering mama's belly.
